Dear guardians/parents,

In addition to academic performance, we focus on setting the course for our students' career interests. When it comes to deciding on a future career, the family plays a decisive role alongside the school.

The Talente Check has enabled young people to find out more about their strengths, abilities, needs and career aspirations. We will now evaluate the Talente Check with the pupils, partly in class but also individually, and support them in their career orientation processes. Together with you.

In addition to an individual meeting, to which we also cordially invite you, we would like to invite you to our upcoming parents' evening on the topic of "_____".

The following items will be on the agenda for this event:

Agenda item 1

Item 2

Item 3

We look forward to welcoming you on _____ . Please let us know if you can attend by _____ using the QR code.

Best regards
